Organ Transplant Unit  
3, Nikoforou Foka  
Thessaloniki, Greece 54621

Dear Dr. Vrochides:

Welcome to the International Liver Transplantation Society. We have received your membership payment and your dues are paid through December 31, 2008. Your membership will become active on January 1, 2008.

The Society has been successful in gathering and communicating information through a diverse variety of mediums including the Congress, our official journal, *Liver Transplantation*, courses, and our website, [www.ilts.org](http://www.ilts.org).

I encourage you to visit the website at [www.ilts.org](http://www.ilts.org) using your email address: [vrochides@yahoo.com](mailto:vrochides@yahoo.com) and your password: **liver**. Your access to the online journal will be supplied via email by Wiley InterScience.

You will also receive a reduced registration fee for the International Congress scheduled on July 9 – 12, 2008 in Paris, France.

You will be receiving the journal, *Liver Transplantation* within 4 – 6 weeks. To facilitate and prevent interruption of your journal delivery, please keep us informed of any changes to your preferred address.

If you have any questions, please contact Priscilla Rodriguez at [prodriguez@ahint.com](mailto:prodriguez@ahint.com) or by phone at +1-856-642-4215.

Sincerely,

Jeffrey McCaughan  
President
