

Expiration of ~~Status~~ and Reverification Notice

A document verifying your successful completion of the ATLS® Student Course will be sent to you. This document and your ATLS® status are valid for 4 years from the date of issue. The date of expiration is included on the successful course completion document. If you relocate during this 4-year period, please contact the American College of Surgeons (ACS), ATLS® office with your change of address.

If you wish to maintain a current status in the ACS ATLS® Program, you are encouraged to reverify your status every four years by participating in an ATLS® Student refresher course.

You have up to 6 months after your status expires to complete this process. If you have not completed the process within this timeframe, you will need to take the ATLS® Student Course again, in its entirety.

A complete listing of courses is available on the College's ATLS® Web site at:
<http://www.facs.org>.

Recipient Name: Dennis Vrochides, MD

Course Date: June / 16 / 2004

Course Serial Number: 25128-P/SR
